

NEPTHA CLASSIC SPONSOR FORM

The New England Pinto Horse Association Inc. (NEPTHA) was founded in 1967. We are a non-profit organization devoted to the promotion of the Pinto Horse, good horsemanship and sportsmanship. The NEPTHA is a family oriented club. We have a strong emphasis on youth activities and well.. just plain old fun while competing with our horses for prizes. We have members throughout New England. NEPTHA is looking for sponsors for the classic classes (one at each of the shows). At the time of placing, your business or farm or just your name will be announced as the sponsor. We would also like you to present the awards in the arena if possible. We thank you for your continued support.
